## **NEW CEU GUIDELINES NOW IN EFFECT FOR LOUISIANA LICENSURE!**

**ATTENTION all Louisiana Respiratory Therapists:**

The new practice rules were published in January's state register. You may find them in it's entirety at the following link <http://www.doa.louisiana.gov/osr/reg/regs2012.htm>. I wanted to call your attention to the Continuing Education Section. Please be advised, these laws went into effect January 20th, and all PALS, ACLS and NRP courses will be given 5 contact hours instead of 10. The LSRC Board of Directors will be working diligently to accommodate these changes and offer as many CEU opportunities as possible. Also, as an AARC member, you may go to the website and earn CEUs at no charge. If you have questions, you may contact any BOD member...contact information may be found on the LSRC website at [www.lsrc.net](http://www.lsrc.net).
